

AstroMediComp

CERTIFICATE OF COMPLETION

AstroMediComp recognizes

Atharva Ameya Pore

as an AMC Certified Developer, having completed **Real-Time Rendering 2018** course, spanning over three semesters. This course covers programming in OpenGL Fixed Function and Programmable Pipeline on six different platforms, viz. Windows, Linux, Android, macOS, iOS and Web along with programming in Direct3D part of DirectX. This certificate implies that the candidate, as part of the course, has done a wide range of applications on each of the aforementioned platforms within the prescribed deadline.

15th August 2020

Dr. Vijay D. Gokhale

● Grade Points (GP) Calculation
